

The Role

The Heights of Abraham is the oldest visitor attraction in Derbyshire. It is looking to recruit a key member of the full-time Cable Car Engineering Team, which is responsible for the operation and maintenance of the cable car system and the maintenance of the estate.

The individual will work within a small team to deliver a first-class experience for all visitors.

Key Responsibilities

- Ensure the smooth operation of the cable car and ensure all customer requirements are met.
- Work with the team to optimise system performance and minimise downtime.
- Carrying out planned maintenance tasks.
- Ensure all documentation is recorded accurately and on time.
- New installations, maintenance, and testing to meet the requirements of the estate.

The Individual

The successful applicant will have the following skills and attributes.

- Apprenticeship trained, qualified to ONC/City and Guilds Level 3 or National Certificate for Electrical Engineering or equivalent as a minimum - (HNC/HND would be advantageous).
- Hold the ability to work logically under pressure with proven fault-finding capabilities.
- The candidate must be qualified to a minimum of 17th edition.
- You have proven mechanical engineering experience - experience with hydraulic systems would be advantageous.
- Willingness to work at heights (full training provided).
- You must be computer literate and have a strong ability to read technical drawings.
- Possess a high level of communication skills to liaise with the engineering team and other departments around the site, to locate and rectify faults to a high standard.
- You will have good fitness and a good attendance record, outgoing personality and able to work on your own or as part of a team.
- Must be able to interact with customers to provide a first-class visitor experience.
- Willingness to work a fair share of weekends and bank holidays.
- Undertake and work with other estate teams/external contractors as required.

Competitive salary plus pension, permanent health scheme and performance related bonus.
