

Cave Guide

Are you an outdoor lover or a history buff? Maybe an artist, or a storyteller? World traveller or local expert... Whatever your background, the award-winning Heights of Abraham are looking for talented, outgoing individuals to join our Cave Guide team.

We can offer you flexible daytime hours to suit your lifestyle. What you'll want is an active role that utilizes your interests and people skills, set above and below the beautiful Derbyshire countryside.

Cave Team members lead groups of visitors through our two famous show caves. You'll be telling tales of ice-ages, seismic events, Romans, Victorians and toiling miners. We'll give you the facts: then over to you to provide the personality & style to deliver a truly memorable experience.

Giving our visitors a great subterranean adventure is only part of the job, your other responsibilities will ensure the estate looks as amazing as the views – from leaf blowing to litter picking, with a spot of light grounds-keeping thrown into the mix. You'll have an eye for detail and a pride in your surroundings.

You'll be key in keeping everybody safe! Tall towers, steep slopes, deep caves and massive slides – we've got them all! You'll be checking they're all safe for our visitors to enjoy.

Your customer skills will also play a big role helping run The Tavern – a small retail outlet adjacent to our second show cave.

Have you got what it takes to hit The Heights?

You'll be a friendly, outgoing and enthusiastic. A team player who enjoys engaging with a wide variety of visitors. You'll be educated to GCSE level or above with fantastic communication skills.

You'll have experience working in an environment where the customer always comes first. An interest in local history or geography is desirable but not essential, as full training will be given.

Due to the terrain at The Heights, above and below ground, you'll be reasonably fit and mobile. You'll feel at ease working underground and be happy commuting via cable car!

Our cave experiences run like clockwork, so you'll have good time management skills and will be able to adapt your tour times according to our operational needs. You'll have an eye for great attention to detail, safety and cleanliness.

If needed, you won't be afraid to get stuck in and help other visitor-facing departments across the site.

Expected Start date: From 11th February 2022

Contract length: This is a seasonal position with contract dates running between 11th February – 6th November.

Hours: Variable daytime shifts available. As a visitor attraction, we're busiest at weekends, school and Bank Holidays. You will be expected to work a significant share of these peak times.

Uniform is provided.
